## SUPERVISORS REJECT BIDS OF HOUGHTON COUNTY BANKS

County Depository Will Not Be Named Until Next Year—No Action Is Taken on Communication Asking That New Jail Be Built or Old One Enlarged.

It required the Houghton county board of supervisors only ten minutes to dispose of the business for the month, after the routine matters had been attended to, at the regular monthly meeting this morning. The session was one of the shortest on record.

The board received a communication from M. T. Murray, commissioner of the state board of corrections and charities, in which he suggested that Houghton county build a new jail or make extensive additions to the present building. Mr. Murray based his suggestions upon the report of one of the members of his department who recently investigated the jail and other county buildings. The communication was tabled by the board.

Upon report of Senator Chas. Smith, chairman of the committee on finance, the bids of Houghton county banks for the privilege of being named county depositories were rejected. All of the banks but two offered 2 per cent interest on county deposits one offered 2 1/2 per cent and the other 2 3/4 per cent, the latter two bids being upon specified amounts. The matter will not be reconsidered until next year, when the bonds of the present county officers expire. In the absence of definite action, the county officials will be empowered to deposit their funds in any of the banks.

Prosecuting Attorney W. J. McDonald, announced that he was not prepared to make a complete report upon the new legislation which is in effect providing that all new roads constructed be under supervision of the county, and he was granted additional time to confer with the attorney general on the matter.

## ARION SOCIETY OFFICERS.

John Surbeck of Hancock was re-appointed director of the Arion Maenherchor of Houghton at the annual meeting held Sunday. Nicholas Miller was elected president in place of J. Schneider deceased; William Yanch vice president; Joseph Wimmer, treasurer and Robert Schuster, secretary.

## HANCOCK TEAM IS DEFEATED.

Houghton Bowlers Easily Vanquish Rivals From Across the Lake.

The class B team of the Dec bowling alleys easily won from the class B teams of the Mitchell bowling alleys in Hancock last evening, taking three straight games. The games were played on the Dec alleys.

The scores follow:

	1st	2nd	3rd
Slusser	102	126	137
Pryor	105	119	133
Wimmer	130	145	134
Elliot	134	156	162
Anderson	112	180	133

Sullivan	683	711	699
Levine	123	117	112
Carlund	123	122	125
Harrington	99	129	144
Mitchell	155	149	167

	653	619	660
--	-----	-----	-----

A return game will be played on the Mitchell alleys next Monday night.

The Houghton class A team will go to Lake Linden this evening to bowl the Kettenebelle five.

## INDOOR BASEBALL LEAGUE.

South Range Towns Will Form Organization This Evening.

A meeting will be held this evening at South Range of delegates from Painesdale, Baltic, South Range, Atlantic and Trimountain to organize an indoor baseball league. The only difficulty that exists is that the five towns cannot agree as to where the games shall be played during the winter. Trimountain, South Range and Atlantic each has a hall of its own but each would like to have all the games of the league take place in the one hall. In order to pacify the delegates from the different locations, it is now proposed to have Atlantic play all its games at home, Painesdale and Trimountain at Trimountain, and Baltic and South Range at South Range. In this manner the number of games played in each hall would be evenly distributed.

## ECZEMA CURABLE! PROOF NOW AT 25c.

Try the Oil of Wintergreen Compound—It is Instantly Relieved.

It is usually very costly to consult a specialist in any disease, but for 25 cents, on a special offer, we can now give to those suffering from eczema or any form of skin disease absolutely instant relief, with prospect of an early cure.

A special trial bottle of the oil of wintergreen as compounded in the Chicago Laboratories of the D. D. D. Company may be had in our store on this special 25 cent offer. This one bottle will convince you—we know it—we vouch for it.

Ten years of success with this mild, soothing wash, D. D. D. Prescription, has convinced us, and we hope you will accept this special 25 cent offer so that you also will be convinced.—Zigle Drug Store.

## DR. STEINBACK MOVES TO NEW HOME AND OFFICES

Dr. P. E. Steinback, the Hancock dentist, has moved into the new residence recently completed for him on Reservation street, upon the site of the house burned last winter. The new dwelling is modern and up to date in every respect, being equipped with the latest and most approved devices in the way of plumbing, heating and lighting.

The house is a two-story, twelve-roomed structure, built of light colored pressed brick, and is of very attractive architectural design. The plans were made by P. E. King of Hancock, who also had the contract for the building. It is heated by a hot air furnace being one of the very best buildings in the city heated by this method, which also provides a splendid ventilating system for the house from cellar to garret. Electric lights are installed throughout, this work being done by Barrett, of Houghton, while the plumbing was installed by Ed Maris of Hancock. The total cost of the building was about \$11,000.

All the floors downstairs and upstairs are of oak and the doors are of quarter sawed oak, which is the general finish of the lower floor, while the bedrooms and other apartments on the second floor are finished in a mahogany stain. The dining room and living room are finished in golden oak, and the ceilings are oak paneled. A handsome red brick fireplace in the living room gives the place a very cozy and comfortable appearance.

Dr. Steinback has removed his offices from the Rourke building and they now occupy three spacious rooms, taking up the northwest corner of the house. They are finished in oak and are provided with the very latest inventions for the practice of dentistry, including electrical devices of various kinds operated by means of an elaborate electrical dynamo switch-board. The operating chairs, and other paraphernalia are of the newest designs and the office is one of the most complete to be found in the entire upper peninsula.

The basement is fitted up with laundry, furnace and fuel rooms, and storage cellars, and has cement floors throughout. A feature of the laundry is the porcelain lined washtubs which are provided with an automatic arrangement by which hot water is supplied from a gas heater, which is operated by the turning on of the faucet.

## INDOOR BASEBALL TONIGHT.

C. O. F. vs. Reserves and Militia Versus the Elks.

Two more interesting games of indoor baseball in the league series will be played this evening at Germania hall and the growing interest in the sport will undoubtedly result in a greatly increased attendance. The matches this evening will be between the Catholic Order of Foresters and the Naval Reserves (and the Militia and the Elks). The players are getting down to work in earnest now and the games played last week have given a line on the abilities of the various teams. The Hibernians have made the best start, having won two games, but the Elks and militia have showed good material and an exciting and interesting race for the championship will be seen.

## KICKING ABOUT COWS.

Considerable complaint is heard relative to the depredations of roving cows in the city since the dismissal of the pound master, and residents of West Quincy street are experiencing considerable trouble from bovines entering their premises and destroying plants and flowers. The council at a recent meeting decided to dispense with the services of a poundmaster for the balance of the year.

## COPPER COUNTRY DENTISTS ELECT OFFICERS AT MEETING

The annual meeting of the Houghton County Dental society was held last evening at the Scott hotel in Hancock, at which a banquet and the election of officers for the ensuing year were the features of greatest interest and importance. The banquet preceded the election. An excellent menu was provided by the Scott hotel culinary staff, and while the dentists were disposing of it a number of impromptu addresses were made by several of those in attendance. The election of officers resulted in the choice of the following: President, M. A. Thometz, Calumet. Vice President, W. J. Spencer, Houghton. Secretary, R. T. Neil, Calumet. Treasurer, F. C. Runge, Houghton. Annual reports of the officers, which were read and approved, showed the society to be in a flourishing condition, with a membership of twenty-three. The society is just a year old, having been organized last fall. The next meeting of the society will be the regular session for December and will be held at the Arlington hotel in Calumet.

## TURKEY SUPPER TOMORROW.

The Ladies Aid society of the Hancock M. E. church will serve their anniversary turkey supper in the church parlors tomorrow evening, beginning at five o'clock. While the main article of the menu will be the great American bird, there will be other appetizing viands, making a supper that will be well worth the price. This will be the first event of the dedication anniversary week. On Friday evening Dr. Martin of Albion college, will deliver a lecture, and he will also preach the anniversary sermon on Sunday next.

## ELKS MEMORIAL DAY.

Arrangements for Observance Will Shortly Be Commenced.

The first Sunday in December is the annual Memorial day of the Benevolent and Protective Order of Elks and it is probable that steps will be taken at the regular meeting of Hancock lodge to be held on Thursday evening, to arrange for its observance. Last December the Calumet Elks united with the Hancock lodge in a joint Memorial day service held at Hancock, the officers of both lodges participating in the program and it is probable that the two lodges will hold this year's exercises jointly at Calumet.

Since the last Elks Memorial day, five members of the Hancock lodge have passed away. They are A. M. York, Anton Wendell, M. J. Kemp, E. H. Wright, James S. Stringer and Henry Pearce.

Alex Stevenson, who was recently appointed by Grand Exalted Ruler Sammis as district deputy for northern Michigan, this week received his commission and in the course of a month or so expects to make visits to some of the lodges in his territory.

## NEW ORCHESTRA.

Four young men of this city have recently formed an orchestra and are practicing regularly. The members consist of R. W. Bredfeld, the leader, violin and violincello; Rene Lajola, violin and mandolin; William Rompf, mandolin and George Priest, mandolin.

## SHUTTING OFF WATER.

Alex Seisel is busy shutting off water in various places about the city, the occupants of which refuse to pay their water bills. One business man, whose water was cut off, threatens an injunction suit, claiming that the city has no right to enter his premises and interfere with the shut-off cock, which he claims to be his own property, he having paid for it. He has retained an attorney to look after his interests in the matter. The matter of the city installing and owning water connections was brought up at a recent meeting of the council. In order that there might be no question of the city's rights in the matter. It was then pointed out that property owners pay for their own sidewalks in front of their premises, but that does not give them the right to exclude anyone else from using them. And it was claimed that the shut-off valves afford a parallel case.

## MISSIONARY SOCIETY GIVES ANNUAL THANK OFFERING

A very pleasant meeting of the Women's Home Missionary society of the Hancock M. E. church was held last evening at the home of Mrs. Thomas Whittle in East Hancock, which was the occasion of taking the annual thank offering of the society for missionary purposes. Besides the business session a delightful luncheon was served.

The program of the evening consisted of papers and addresses and musical numbers. Among those who spoke were N. W. Haire, president of the society; James Pascoe, and Rev. W. E. Marvin. Mrs. J. E. Bettens gave a report on Missionary work and a paper was read by Mrs. George H. Roberts entitled, "The Los Angeles Special." Solos were sung by Mr. E. Curnow and Mrs. August Joki, with piano accompaniment by Miss Helen Theobald, and a violin solo was given by Richard Broad. Miss Theobald also favored with a piano solo.

The amount of the thank offering taken was \$18.50, which was slightly larger in amount than the offering a year ago.

## HANCOCK BREVITIES.

Lee lives left this week for a visit to Minneapolis.

Jay Pearce leaves this evening for Duluth on a business trip.

Gauthier Brothers this morning be-

## To Enjoy

the full confidence of the Well-Informed of the World and the Commendation of the most eminent physicians it was essential that the component parts of Syrup of Figs and Elixir of Senna should be known to and approved by them; therefore, the California Fig Syrup Co. publishes a full statement with every package. The perfect purity and uniformity of product, which they demand in a laxative remedy of an ethical character, are assured by the Company's original method of manufacture known to the Company only.

The figs of California are used in the production of Syrup of Figs and Elixir of Senna to promote the pleasant taste, but the medicinal principles are obtained from plants known to act most beneficially.

To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co. only, and for sale by all leading druggists.

gan erecting the fire escapes in the rear of the Scott Hotel and the Scott block on Quincy street.

Only routine business was transacted at the regular meeting of the fire department last evening. The dance committee was given an extension of time in which to make a complete report.

W. Frank James has sold to Autta Kammalinen the six-room house on lot 12, block 5, of Anthony's addition and the south half of lot 4, block 2, Anthony's addition to A. A. Johnson. The school board will hold its regular monthly session this evening.

Mrs. James Henderson has made arrangements for carrying on the business of the Scott Hotel barber shop in the absence of her husband, Roy Helb, who has been connected with the place for the past three or four years, will be the manager and two new barbers, William Johnson of Chicago, and George Halmesult of Hubbell, have been engaged. Mr. Johnson was formerly a resident of Calumet, but has been located in Chicago for the past twenty-seven years.

An assault and battery charge, in which the complainant was August Komppainen and the defendant, August Keranen was heard in Justice Oliver's court this morning. The scrap was alleged to have occurred in a Teacoco street saloon. Keranen was fined ten dollars and costs, or thirty days in jail.

J. H. Jasberg is in Duluth this week attending a meeting of the Finnish American Mining company.

Contractor James McGlynn is making good progress on the second retaining wall on Front street and is rushing operations in order to get as much of the wall completed as possible while the present favorable weather continues.

The Quincy One and All association football team defeated the Trimountain team at the latter place last Saturday, winning by the score of 4 to 0. All four goals were made in the second half and were scored by Charles Roberts, a new member of the Quincy team.

Dr. E. H. Pomeroy arrived in Hancock yesterday from Tennessee for a visit with his daughter, Mrs. John C. Condon.

Miss Clara Bosswohl has taken a position as clerk in the Bock Cigar store, known as the "Smoke Shop."

Rev. W. E. Marvin and Rev. J. S. Gould attended the meeting of the Copper Country Ministerial association at Calumet, yesterday. The former read a paper on "The Minister's Message to Christians."

Mr. and Mrs. Albert Poekola of Emma street are the parents of a son born yesterday.

The members of Miss Chamberlain's Sunday school class at the Congregational church will give a box social in the church parlors on Friday evening. Mr. and Mrs. William Mackay left last evening for Idaho, where they will make their future home.

John Rowe, an old member of Mystia lodge of this city, died Saturday at the state old Fellows' home at Jackson. He was about 76 years of age.

The Dollar Bay M. E. church Ladies Aid society elected the following officers at their annual election recently: President, Mrs. E. Cady; vice president, Mrs. W. White; secretary, Mrs. Williams; treasurer, W. J. Balmer; chairman of entertainment committee, Mrs. C. Wheeler; special committees, Mrs. C. Braun and Mrs. B. Kito.

The Epworth league of the Pewabic M. E. church will hold a regular meeting this evening, at which the subject to be discussed will be "Doing Business With Borrowed Capital." Will White will be the leader.

W. Frank James has sold to Michael Cullinney, of Houghton, lot 5, block 1, Anthony addition, containing six roomed house which Mr. Cullinney will occupy next spring. Matt Manner of this city has also purchased through the James agency, lot 11, block 5, Anthony addition. Mr. James has sold to Edward Ulseth, lot 7, block 4, of the Anthony addition.

## TORCH LAKE NEWS

## RECITAL IS POSTPONED UNTIL DECEMBER MONTH

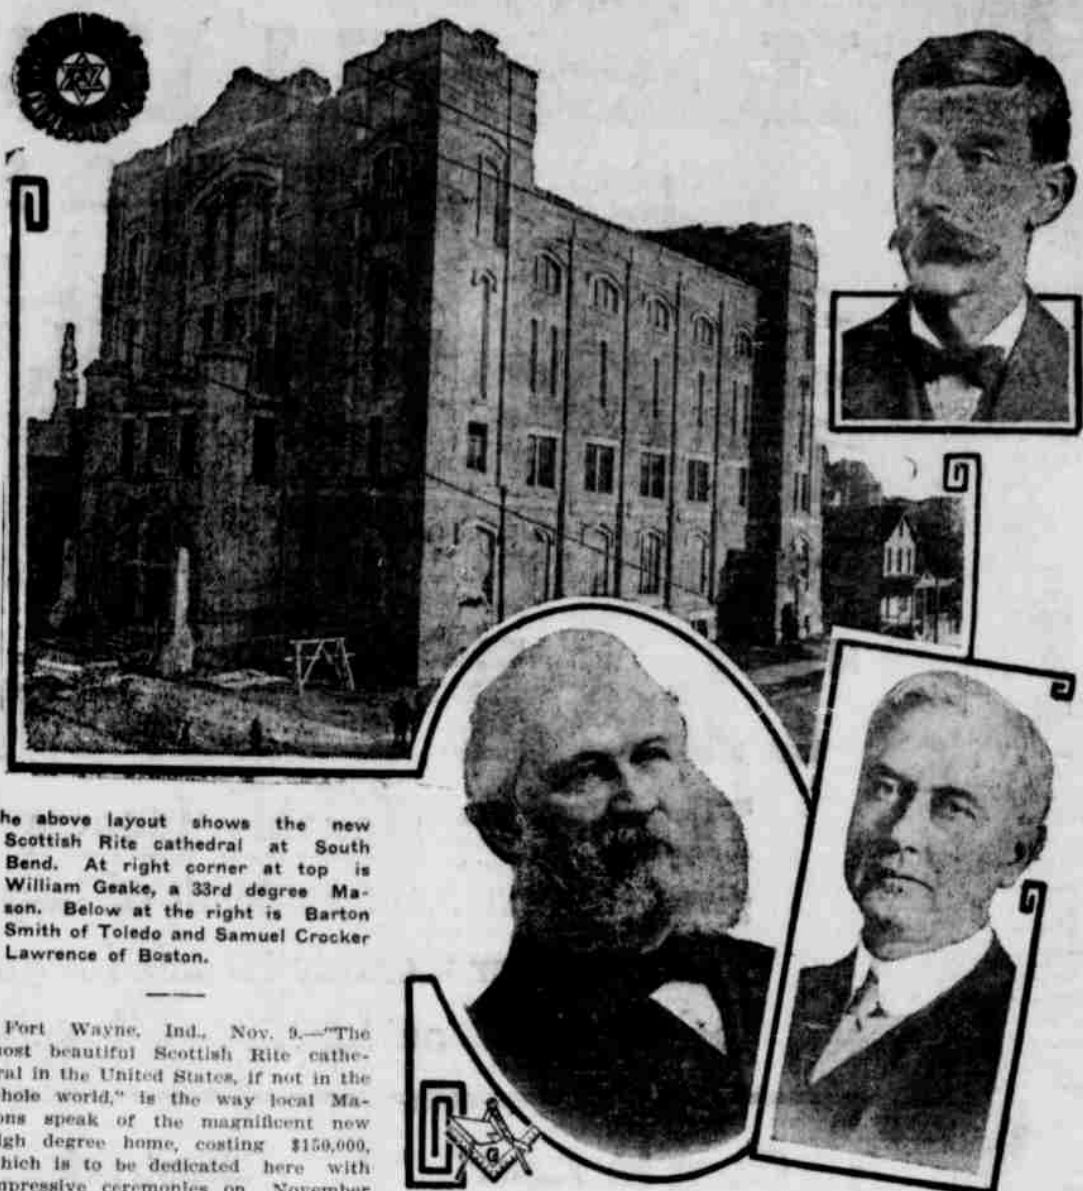

Owing to the entertainment of the Y. P. S. C. E. of Hubbell and other attractions planned for this month Mrs. H. T. Dunstone has decided to postpone her concert until December. The concert or recital was to have been held on November 24. Arrangements are being made to secure some of the best musical talent in the county for this recital, making it one of exceptional interest. Mrs. Dunstone's work as a reader and impersonator needs no introduction here. She has appeared before Torch Lake audiences often and has never failed to please her hearers. The recital of the great masterpiece "Courtship of Miles Standish," will be met with delight by local people.

On Thanksgiving eve, Mrs. Dunstone will give a recital at Winona at which she will recite "The Courtship of Miles Standish."

W. R. Kennedy, will hold a school of instruction at Copper Link Odd Fellow lodge this evening. Mrs. James Armstrong and Mrs. Turner of Houghton were visitors with relatives at Hubbell today.

The old, old story, told times without number, and repeated over and over again for the last 36 years, but it is always a welcome story to those in search of health—There is nothing in the world that cures coughs and colds as quickly as Chamberlain's Cough Remedy. Sold by Eagle Drug Store, Calumet; Laurium Pharmacy, Laurium.

## Finest Scottish Rite Cathedral in the United States

The above layout shows the new Scottish Rite cathedral at South Bend. At right corner at top is William Geake, a 33rd degree Mason. Below at the right is Barton Smith of Toledo and Samuel Crocker Lawrence of Boston.

Port Wayne, Ind., Nov. 9.—"The most beautiful Scottish Rite cathedral in the United States, if not in the whole world," is the way local Masons speak of the magnificent new high degree home, costing \$150,000, which is to be dedicated here with impressive ceremonies on November 17. Masons from all over the country agree with this statement, too. Better Masonic temples there are, but no cathedral that compares with this one, it is declared. The reason for this is evident—to enjoy the privileges of the building one must have eighteen degrees or more. It is only because Port Wayne is one of the strongest Scottish Rite cities in the country that it was found possible to erect this structure.

At least 1,000 prominent Masons

## DELINQUENT WATER TAX MUST BE PAID THIS WEEK

There is every reason to believe that the village of Hubbell will make money on its new water system. So far the business has been a paying one and prospects for the future even appear brighter. At the last meeting of the council of the village, the clerk was instructed to send cards to the delinquent water taxpayers, requesting them to pay up at once. This has been done, but some of the consumers have not complied with the instructions. Saturday is their last day of grace and after that day the delinquent water tax will be assessed against the property owner.

Clerk Richard Cuddihy stated yesterday he would be at the town hall Friday and Saturday evenings to make collections.

So far there has been about 90 taps made to the main system, at a rate of \$10 per tap, the village having derived \$900 from that source alone. The amount of the water tax for the first quarter will pay for the electric pumping for the three months, and there will still be a balance of \$50 in the village treasury to that account.

## TORCH LAKE BREVITIES.

Henry Gillet of Hubbell son of E. X. Gillet, left this afternoon for Duluth where he will visit for a couple of weeks. From there he will go to Philadelphia where he enters the Philadel-

## Something to Admire

There is something about the beautiful writing papers "Made in Berkshire" by

## Eaton, Crane &amp; Pike

that both attracts and interests the person examining them. The beautiful texture and finishes of the papers themselves and the neat, artistic way in which they are put up are features that appeal strongly to the lover of the beautiful.

The Eaton, Crane & Pike writing papers are the best that America produces. If you are not using these papers you owe it to yourself and your friends to adopt them.

## For Catarrh Medicine Free in Every Case Where It Fails to Relieve

Neglect or pessimism we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Mucro-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucro-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Mucro-Tone comes in two sizes, 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies in Calumet only at our store—The Rexall Store, Vastbinder and Read.
